# ABOUT THE COMPANY

## WHO WE ARE!

New Build Services is a professional cleaning company with strong industry experience and a skilled team committed to delivering high standards of service. We specialize in post-construction cleaning, providing complete solutions from initial site cleans to final polishing.

Our process covers every phase — from build cleans that clear construction dust and waste, to recleans before handovers, and detailed sparkle cleans that give the finishing touch. We also prepare show homes to be viewing-ready and maintain welfare units on construction sites, ensuring hygiene and safety for on-site staff.

A photograph of a construction site cleanup scene. In the foreground, a white sheet of fabric is spread out on the ground. On it, there is a silver metal bucket containing a wooden brush and a red tool. Next to the bucket is a blue and red paint can, a blue paint roller, and a red tape measure. A yellow and orange safety vest is hanging on a silver ladder in the background. A window in the background shows a cityscape.

# WE ARE SPECIALISTS IN POST- CONSTRUCTION CLEANING

New Build Services is a trusted cleaning company offering expert post-construction and property cleaning solutions. Our experienced team ensures every site is spotless, safe, and ready for use. From build cleans to sparkle finishes and show home preparations, we deliver high-quality results with reliability and attention to detail.

# WHY CHOOSE US

---

At New Build Services, we understand the unique demands of post-construction and property cleaning. Our expert team delivers precise, high-standard results tailored to each project. Whether it's a detailed sparkle clean or ongoing welfare unit maintenance, we bring professionalism, reliability, and a spotless finish every time. We don't just clean — we prepare spaces for presentation, inspection, and living. That's what makes us the trusted choice in the industry.

# VISION & MISSION

**TO BE THE LEADING CLEANING SERVICE PROVIDER IN THE CONSTRUCTION AND COMMERCIAL SECTORS, RENOWNED FOR DELIVERING EXCEPTIONAL QUALITY, RELIABILITY, AND SUSTAINABLE CLEANING SOLUTIONS THAT CREATE SAFE AND WELCOMING ENVIRONMENTS.**

Our mission is to provide efficient and eco-friendly cleaning services tailored to each client's needs. We are committed to the highest standards of professionalism, using advanced equipment, and ensuring complete customer satisfaction through attention to detail and timely service.

# OUR SERVICES:

## ABOUT SERVICES:

At New Build Services, we provide a wide range of professional cleaning solutions tailored for residential and commercial properties. Whether it's a newly built site or a space in need of a final polish, our expert team ensures top-to-bottom cleanliness with unmatched precision..

## SERVICES:

- Post-Construction Cleaning
- Build Clean
- Reclean
- Sparkle Clean
- Show Homes Cleaning
- Welfare Units Cleaning

# OFFICE CLEANING

This is an essential maintenance phase that ensures your workspace remains clean, organized, and presentable. It involves the removal of daily dust, waste, smudges, and clutter to create a healthier and more productive environment. Our team ensures every corner of your office is thoroughly cleaned while maintaining discretion, hygiene, and professional standards.

# OUR SERVICES:

## RECLEAN

---

A secondary cleaning service focused on eliminating leftover dust, smudges, and debris before final inspections or handovers to ensure a flawless finish.

## SPARKLE CLEAN

---

A high-detail, final stage clean designed to polish every surface and create a pristine, showroom-ready look for immediate use or presentation.

## SHOW HOMES CLEANING

---

Thorough cleaning and staging of show homes to highlight the best features of the property and leave a lasting impression on potential buyers.

# WELFARE UNITS CLEANING

---

Our service ensures that site welfare units remain clean, stocked, and fully functional throughout the project. We focus on maintaining cleanliness standards that support worker wellbeing, efficiency, and compliance with health and safety regulations. We provide thorough cleaning of welfare facilities on construction sites, including toilets, kitchens, changing rooms, and rest areas. Our team ensures a hygienic and safe environment for all site workers through regular and reliable service.
